Department of Civil Engineering

INDUSTRIAL VISIT BY STUDENTS OF CIVIL ENGINEERING
DEPARTMENT

“PRESTIGE PVT. LTD.”

Over the last decade, the Prestige Group has firmly established itself as one of the leading and most successful developers of real estate in India by imprinting its indelible mark across all asset classes. Founded in 1986, a leap that has been inspired by CMD Irfan Razack and marshaled by his brothers Rezwan Razack and Noaman Razack. Now with 205 landmark developments across the city, the company has extended its expertise to major cities across South India including Chennai, Hyderabad, Kochi, Mysore, Mangalore and Goa. The Prestige Group today has become a name that is synonymous with innovation.

The site where we visit was “**USHA APARTMENT**” located in Chitapur Varanasi, 221005.

Front elevation of Usha Apartment

A site visit to construction site was organized on 22 of February 2022 by the department of civil engineering Kashi institute of technology. Before anything, all the safety precautions gave by the lecturer such as proper uniform. Then base on the plan, all student gathered at collage around 12:30 pm and the students reached to the site after half an hour journey by bus. After arrival to the site and meeting with the site engineer, getting a short brief about the project was given by Er. Naushad and his colleagues to start the tour around the site.

While going to the construction site by bus

Arrived at Construction site

OBJECTIVES

Experiencing and learning more about construction site environment that will face after becoming a Quantity Surveyor and entering construction industry.

Understanding about importance of safety and notes that should be taken before entering to a construction site for the accidents that may happen there, such as wearing helmet.

Learning about basic process of construction by observing a real example of working space, plus observing and comparing topics that taught by lecturers at university.

More understanding about construction technology of buildings and different methods of constructing, plus explore and identify different types of building materials.

Giving chance to students for learning about different types of machinery and their uses by observing, such as concrete mixer, crane and bar cutting machine.

Helping students for better understanding of construction drawings and details for taking-off.

Asking questions from supervisors and people working at construction site to gain more information and learn from their experiences.

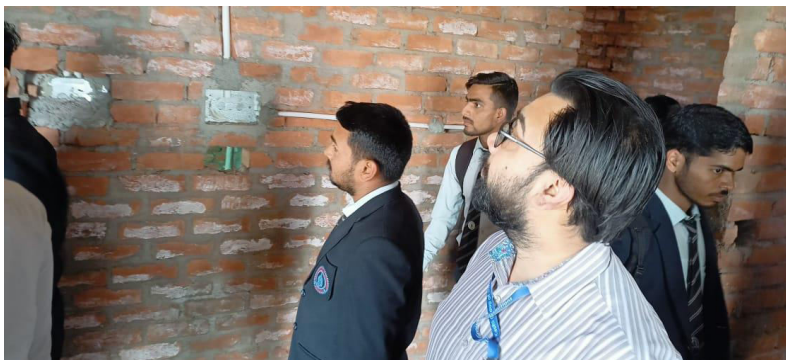

Describing about slab

stairs

Explaining about components of building

Observing the wiring

Explaining about foundation

Describing about beam and column

MEMORANDUM OF UNDERSTANDING (MOU)

BETWEEN

Kashi Institute of Technology, Varanasi

And

ELGOSS PVT. LTD. , VARANASI

FOR

**ENTREPRENEURIAL SKILL DEVELOPMENT, OUTCOME BASED TRAININGS,
INTERNSHIP, PLACEMENT AND RELATED SERVICES**

This **Memorandum of Understanding** is entered into existence on 28.03.2022 between

Kashi Institute of Technology, Varanasi

And

ELGOSS PVT. LTD. , VARANASI

PURPOSE OF MOU:

In particular, this MOU is intended to

1. Enhance entrepreneurial mindsets among the students of Entrepreneurship Development
2. Certificate course under **Kashi Institute of Technology, Varanasi**
3. Organize various workshops on Entrepreneurship Development
4. Conduct practical trainings on Entrepreneurship Development
5. Generate self-employment opportunities
6. Assist the students in establishing various start-ups
7. Arrange the placement of trained students

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

Clause 1

CO-OPERATION

1.1 Both parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations. The parties shall keep each other informed of potential opportunities and share all information that may be relevant to secure additional opportunities for one another.

1.2 The co-operation between First Party and Second Party will facilitate effective utilization of the intellectual capabilities of the Second Party providing significant inputs to them in developing suitable teaching/ training systems, keeping in mind the needs of the First Party.

Clause 2

SCOPE OF THE MOU

2.1 Both parties believe that close co-operation between the two would be a major benefit to the student community to enhance their skills and knowledge.

2.2 The Second Party will give valuable inputs to the First Party in teaching/training methodology so that the students fit into the industrial scenario meaningfully.

2.3 The interaction between Industry and Kashi Institute of Technology will give an insight into the latest developments /requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs/Workshops/ Industrial Sites for the hands-on training of the learners enrolled with the First Party.

2.4 The Second Party will train the students of the First Party on the emerging technologies in order to bridge the gap in skill and make them ready for industry.

2.5 The Second Party will extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.

2.6 The Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs.

Clause 3

VALIDITY

3.1 The validity of the agreement is one year from the date of agreement.

3.2 Both Parties may terminate this MOU upon 30 calendar day's notice in writing. In the event of Termination, both parties have to discharge their obligations.

3.3 Any dispute will be settled in the Varanasi Court only, where the Kashi Institute of Technology is situated.

Industrial visit Summary Report

Report on Industrial Visit:-

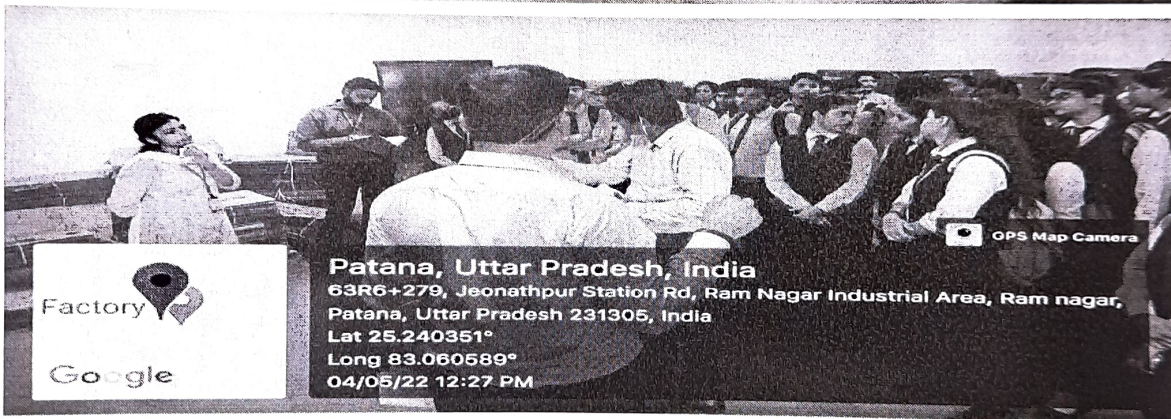

On receiving the letter of permission from Parle-G Industry Ltd., Ramnagar, Varanasi. Students with four faculty members went on Industrial visit to the factory on 04-05-2022. Students and the faculty assembled at the college at 9:30 AM and left the college in a bus. We reached the factory at 11 o'clock. An engineer-in-charge of production received us at the entrance and gave a brief introduction of the factory. The students were taken around from one section to the next and explained the process involved in the making of Parle Biscuits. He elaborated the mixing process, temperature maintenance and quality assurance of the product. Students' queries related to packaging, production, hygiene, HR policies specifically relating to women workforce and their working hours and CSR were cleared by Gen. Production and HR Manager -

We left the premises at 1:30 p.m., it was an informative, interesting and a successful visit. As student of Department of Management students learned a few managerial and practical skills.

To,
The Director
IICT Bhadohi

Subject: Seeking permission for Industrial Visit

Respected Sir

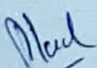

I am writing this letter on behalf of the Department of Mechanical Engineering as an Assistant Professor at Kashi Institute of Technology Varanasi (UP), seeking your permission to conduct an industrial visit to your company, Indian Institute of Carpet Technology, on 18th February, 2022, Friday. Kashi Institute of Technology is a well-reputed educational institution located in Varanasi, famed for its infrastructure, faculty, and alumni. We have produced many prominent individuals in the field.

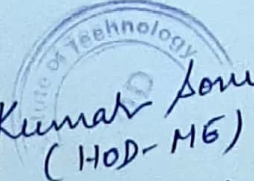

The group would be thirty-five visitors, including two faculty members. Being students of engineering, this visit would help in a better understanding of various concepts. The purpose of this visit is to enhance the students' knowledge and provide them with a proper understanding of the functioning of the industry. We intend to take a round of the entire industry and show the tasks handled in different departments of our students.

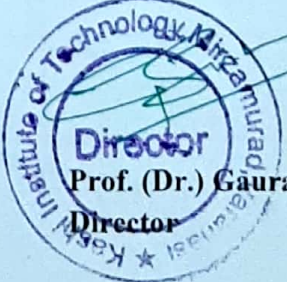

Kindly grant us permission for the industrial visit and make the necessary arrangements for the same. We look forward to a positive reply from your side.

Thanking You,

Yours Sincerely,

Mr. Pradeep Kumar
