Industry-Integrated Training & Collaborations

To enhance employability and bridge the gap between academics and industry, our college offers specialized training and strong industry partnerships.

Special Training Program

Practical exposure to finance, banking operations, and customer management.

Industry-led IT & Soft Skills training focused on coding, software development, and project management.

Employability-focused digital learning and professional skill development.

1st in Uttar Pradesh and 2nd in India. Hands-on learning in emerging technologies and real-time industry projects

Key Industry Tie-Ups

Industry-standard IT skill enhancement programs.

Confederation of Indian Industry

Industry interactions, innovation workshops, and career development.

Atal Incubation Centre BHU, Varanasi

To bridge the gap between academics and industry, our institution offers specialized training and strategic partnerships with leading organizations.

Collaboration with MSMEs for industrial visits, internships, and start-up exposure.

Through these collaborations, our students gain industry-ready skills, professional exposure, and the confidence to excel in their careers.
